EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Juliana Haydoutova on 9/13/2006.

The application has been amended as follows:

On claim 12, line 9, between "comprising supplementary points" and "for supplementing the first group of data", insert "disposed in-between the predetermined number of points".

On claim 13, line 10, between "comprising supplementary points" and "for supplementing the first data group", insert "disposed in-between the predetermined number of points".

On claim 14, line 8, between "comprising supplementary points" and "for supplementing the first data group", insert "disposed in-between the predetermined number of points".

2. The following is an examiner's statement of reasons for allowance:

The closest prior art by Cottrell et al. (4,688,181) or Goto et al. (5,434,591) does not explicitly teach the supplemental points are in between points to construct a more precise image.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
